*Visit https://xnat.abudhabi.nyu.edu*

Welcome to NYU **XNAT** - our hub for advanced imaging data management. Explore, analyze, and collaborate seamlessly. Elevate your research with cutting-edge tools and resources tailored for the NYU community.

To sign-in using your NetID credentials, please click on the button below.

Sign in with Google

«Sign in with Google»

Connect Your OPENID Account With An XNAT Account

You've successfully logged in with your account **nyu_bb3735**, but this doesn't correspond with an existing XNAT_NYUAD user account. Please choose one of the options below to connect an XNAT_NYUAD account with your login. You will only have to do this once.

Merge Your OPENID account With:

A New XNAT_NYUAD Account | An Existing XNAT_NYUAD Account

Register A New Account

If you do not have an account on XNAT_NYUAD, register a new account with the form below and click **Submit**.

ⓘ XNAT usernames cannot contain punctuation. You will still be able to log in using your OPENID credentials upon account creation and verification.
